## MOSEL. URBAN. RIESLING.

Inspired by the urban lifestyle of New York, London, Paris and Berlin, winemaker and globetrotter Nik Weis has created a Riesling that stands out: distinctive, full of character and unmistakably Mosel.

URBAN is not just any Riesling, but a wine with provenance and attitude. Its roots: steep Mosel slopes with blue, heavily weathered slate. This ensures precise minerality and an animating, slightly salty finish.

Warm days and cool nights preserve the elegant, fruity acidity and produce a complex interplay of aromas. Minimalist and authentic in style – so that what you get in your glass is exactly what makes URBAN what it is: Mosel feeling with a big-city vibe. Regularly awarded. Always genuine.

## WINE DESCRIPTION

This Riesling is honest and authentic – unmistakably Mosel, with a true sense of place. Expect a complex, smoky-floral nose, followed by a juicy, fruit-driven palate that stays elegant and precise.

Fine slate minerality carries through to a subtly salty finish and leaves you reaching for the next sip. A true top-quality Mosel Riesling in style: brilliant fruit, vibrant acidity, and effortless drinkability. Delicious on its own – and an ideal match for light cuisine or spicy dishes.
